

Chand Tanha

Meena Kumari

Chand tanha hai aasman ,
dil mila hai kahan kahan tanha chand tanha hai.
bujh gayi aag chup gaya tara,
thartharata raha dhuhan tanha, chand tanha hain
zindagi kya isiko kehte hain,
jism tanha hai aur jaan tanha, chand tanha hai.
hamsafar koi gar mile bhi kahi,
dono chalte rahe tanha tanha, chand tanha hai.
jalte bujhti si roshni ke pare,
simta simta sa ik makaan tanha, chand tanha hai.
raah dekha karega sadiyon tak,
chod jayenge ye jahan tanha,
chod jayenge ye jahan tanha,
chand tanha hai.
