Room To Move

John Mayall

May seem peculiar
How I think of you
If you want me, darlin'
Here's what you must doYou gotta give me
'Cause I can't give the best
Unless I got room to moveIf you want me darlin'
Take me how you can
I'll be circulatin'
'Cause that's the way I amYou gotta give me
'Cause I can't give the best
Unless I got room to move
