

It's Gone

Jordan Johnson

Verse One

Never knew

This was the kind of thing that you'd do

But now I know it's true

And now it's all so clear to me

And I see

The way you've been treating me

It's not how it should be

So now it's time for me to leaveChorus

It's gone

What we had between you and me

It's gone

What we had is just a memory

It's gone

Now it's time for me to say goodbye

Why'd you have to lie, oh why?Hook

It's gone, it's gone

It's gone, yeah

It's gone, it's gone

It's goneVerse Two

Now I'm good

Doing better than I thought I would

I've finally understood

The reason for my misconception

Cause you see

I never thought that this would happen to me

But now it's come to be

Time to focus on the things I needChorus

It's gone

What we had between you and me

It's gone

What we had is just a memory

It's gone

Now it's time for me to say goodbye

Why'd you have to lie, oh why?Hook

It's gone, it's gone

It's gone, yeah

It's gone, it's gone

It's goneBreakdownChorus

It's gone
What we had between you and me
It's gone
What we had is just a memory
It's gone
Now it's time for me to say goodbye
Why'd you have to lie, oh why?Chorus
It's gone
What we had between you and me
It's gone
What we had is just a memory
It's gone
Now it's time for me to say goodbye
Why'd you have to lie, oh why?Hook
It's gone, it's gone
It's gone, yeah
It's gone, it's gone
It's gone
