

# Jelly

## Lower Definition

I saw our future in her eyes  
We searched for love amidst the lies  
I didn't mean to draw her in  
To a fight we'll never win And I sigh as she becomes like jelly in my hands  
Jelly in my hands, jelly in my hands  
She becomes like jelly in my hands  
Jelly in my hands, jelly in my hands She told me things I never heard  
And I just drank her every word  
We swallow all that love can give  
'Cause love's the reason that we live And I cry as she becomes like jelly in my hands  
Jelly in my hands, jelly in my hands  
She becomes like jelly in my hands  
Jelly in my hands, jelly in my hands Jelly in my hands, jelly in my hands  
Jelly in my hands She crossed our T's with her gazing eyes  
Knew it all was finalized  
Built this love on sinking sand  
And I'm ashamed that I'm afraid to lend a hand As she becomes like jelly in my hands  
Jelly in my hands, jelly in my hands  
She becomes like jelly in my hands  
Jelly in my hands, jelly in my hands Jelly in my hands, jelly in my hands  
Jelly in my hands
