If You Wanna

Darin

Hey, I've been watching you for so long
And I've tried to hold on
But your body makes me crazy
Oh, I know you've heard it before
But I just can't ignore
The way your deep brown eyes embrace me
If you want it, if you want it
Push the button, push the button
Girl, you gotta, girl, you gotta
Push the button, push the button
If you want me to touch
But you gonna say no
(No)
If you wanna feel a rush
I think you better say yeah
(Yeah)
Watching every move you make
No time to be afraid
If you want me to go baby, let me know
No, I'm not gonna let you go
I feel so out of control
You've given me all the right reasons

You know every trick in the book
And you know that I'm hooked
You say you want to take it slowly
If you want it, if you want it
Push the button, push the button
Girl, you gotta, girl, you gotta
Push the button, push the button
If you want it, if you want it
If you want me to touch
But you gonna say no
(No)
If you wanna feel a rush
I think you better say yeah
(Yeah)
Watching every move you make
No time to be afraid

If you want me to go baby, let me know
If you want it, if you want it
If you want me to touch
