

# Going Down the Road Feeling Bad

## The Marshall Tucker Band

Going down the road feeling bad  
Going down the road feeling bad  
Going down the road feeling bad, oh lord  
Don't wanna be treated this a way Won't somebody help me ease this pain?  
Won't somebody help me ease this pain?  
Won't somebody help me ease this pain, oh Lord?  
Don't wanna be feeling this way Going down the road feeling bad  
Going down the road feeling bad  
Going down the road feeling bad, oh Lord  
Won't You show me the way? Won't somebody help me get away from here?  
Won't somebody help me get away from here?  
Won't somebody help me get away from here, oh Lord?  
Won't You show me the way Going down the road feeling bad  
Going down the road feeling bad  
Well, I'm going down the road feeling bad, oh Lord  
Won't You show me the way? Going down the road feeling bad  
Going down the road feeling bad  
Going down the road feeling bad, oh Lord  
Won't You show me the way?  
Won't You show me the way?
