Do You See the Light

Spain

Do you see the light
Oh do you see the lightWon't need no sleep tonight
Oh do you see the lightOh do you see the light
Girl it shines so brightWon't need no sleep tonight, tonight
Just kiss me girl and hold me tightDon't it feel so right
Oh don't it feel so rightThe lord let there be light
Oh don't it feel so rightOh don't it feel so right
Surrounded by the lightWon't need no sleep tonight, tonight
Just kiss me girl and hold me tightOh don't you see the light
Girl it shines so brightWon't need no sleep tonight, tonight
Just kiss me girl and hold me tightWon't need no sleep tonight, tonight
Just kiss me girl and hold me tight
