

# Hold Me Oh My Darling

**Tammi Terrell**

I want you to hold me, oh my darling  
& never, never let me go  
Oh kiss me & tell me you love me  
Yeah yeah because I, I I I I I, I I love you so  
(I I love you, I love you so)When I'm alone, alone & troubled  
& my life seems dark as night  
All I ask, I'll ask you please  
Yeah yeah, baby won't you be, won't you be be be, be my guiding  
light  
(Won't you be be my guiding light)You know I get such a strange sensation  
Every time I hear your name  
Now all of my friends & my relations  
They say I'm loving you (loving you) loving you in vain  
Yeah yeah Snuggle, snuggle on my shoulder  
Come on & tell me, tell me, tell me, tell me that you care  
& as my love, my love, my love, my love grows older  
Yeah yeah, tell me that the flame, that the flame flame flame  
Flame will still be there  
(That the flame flame will still be)
