

# Last Temptation

## Ja Rule

Yeah, yeah, heh  
You feel that  
Can you feel that  
Y'all can't feel that, heh, yeah  
We gonna do it like this real old school, shit  
Take them back to the parks and shit  
Do it like, we used to do it, you know  
DJ Irv days and shit  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Tonight somebody sho nuff  
Gon' tear the club the fuck up  
As soon as I hit the scene  
All eyes on us, mean and so vicious  
A good nigga, bad intentions  
Not to mention, them 12 engine Benzes with fish lenses  
We park right out front to handle our business  
The broads on the way in showin' a little attention  
Like, I fucked before but ain't never call  
That's life, you either love to live it or just live it  
I live it to the limit, Champagne finish gangsta  
Image, platinum shades swingin'  
Then I do that 2 step that niggaz do  
We don't really dance, we just rub the dick on the ass  
And fill the glass with nothin' but [Incomprehensible]  
And if they pop it gettin' the poppin' with me  
Get my niggaz tonight baby, let's party  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'

To have the time of your life  
Come on y'all  
Yo, uh, now a party ain't a party till Chuck come through  
Bring who? Rolled dolo jeans over Manolo's  
Duke says I look better out the photos  
And hotter in person, hottest when I'm cursin'  
Love my bitch thuggelbees  
Strokin' my ego then he go for the bubbly  
Nigga love me, we go to the vehicle, talk dirty  
Past flirty, flight leavin' at five thirty  
It's hot in herre, foggin' the windows  
[Incomprehensible] Throw dat, I the designated driver  
Chuck never the rider, gotta play  
Passenger side beside them, whoa  
Gotta be controllin' when I'm rollin'  
Weed niggaz swollen, cock blocker  
Hands on my knockers, he feelin' them poppers  
But Chuck never givin' it up, livin' it up  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Uh, Count me and my niggaz as OD'in  
Rule got a bitch Korean, lap dancin'  
Off to the murder mansion, ride the shoulder  
Benz and the Rover, Nigga we ain't sober  
Girl Interrupted, murder got me corrupted  
With shots so that any lickin' shots with the semi  
Out the sunroof of the Bentley  
Bottles all empty but niggaz got stashes  
Never fuckin' the glasses  
Ha, you know the Rule roll up in the party  
Me and Charli, ready to have them hotties  
Rub up on my body 'cuz after the club  
It's the after set with some pushin' a little head  
Is always the safe bet, she tell me V twizzy  
In the red Corvette, swervin' lanes  
[Incomprehensible] a little pain and say what's my name, 'Rule Baby'  
You know it, now let's get high, take a ride with me tonight, yeah  
Let's all get high, get out, feel free tonight  
Temptation is temptin'

To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
(We gotta give a dance to this shit here)  
Come on y'all  
Uh, Murder Inc shit  
Yea, Rule Baby  
Chuck B-More, yea, its a family affair  
Can you feel it, can you feel it?  
You can't feel it, temptation  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all  
Let's all get high, get out, feel free tonight  
Temptation is temptin'  
To have the time of your life  
Come on y'all
