

Dark Horse (Rock Version)

Our Last Night

(I knew you were)
You were gonna come to me
(And here you are)
But you better choose carefully('Cause I)
I'm capable of anything
Of anything
And everything Make me your Cupid, baby
Make me your one and only
(But don't)
Make me your enemy
Your enemy
(Your enemy) So you wanna play with magic?
Girl, you should know what you're fallin' for
Baby, do you dare to do this?
'Cause I'm comin' at you like a dark horse Are you ready for
Ready for
A perfect storm?
Perfect storm?
'Cause once you're mine
Once you're mine
There's no goin' back (Mark my words)
This love will make you levitate
(Like a bird)
Like a bird without a cage
(We're down to earth)
If you choose to walk away
Don't walk away It's in the palm of your hand now, baby
It's a yes or a no
No maybe
(So just be sure)
Before you give it all to me
It all to me
(Give it all to me) So you wanna play with magic?
Girl, you should know what you're fallin' for
Baby, do you dare to do this?
'Cause I'm comin' at you like a dark horse
