

# Money of everything (feat. Tufi & NJMONEY)

## LandonBeck

[Intro]

(What's on your nasty old mind?)

(By yourself? Sit alone)

(I hope we're still friends, yeah, I hope you don't mind)

(By yourself? Sit alone)

(I hope we're still friends, yeah, I hope you don't mind)

(By yourself...)

Well, I don't know... I don't know how you...

Ahhh...

Hey...

Yeah...

[Verse 1]

I got a Glock on my side, hope that you realize

Watch on me really nice, go until I get the prize

And you know I'm getting that prize

Prize...

Hey, yeah

I'm going to the top

And you know that I'm never gonna flop

And you know that I pull up and I drop top

I'm out here and I'm gonna shoot your opp

Oh yeah...

Yeah...

[Verse 2]

Callin' out, we pick and roll

All my brothers out here know that I ain't gonna fold

Your life is so meaningless and it is dull

Ballin', so I'm gonna make you look like a fool

I've been ballin' up, make you look like a fool

I've been ballin' up, make you look like a fool

Call me Bob the Builder 'cause I stay with my tool

Yeah, I stay with my tool

[Chorus]

And it's money over everything

Everything...

And it's money over everything

Everything, everything...  
And it's money over everything  
Money...  
Get your money...

[Verse 3]

I don't wanna date, hoes down, I was down bad  
Then I had to get up, get to the racks  
Laying on my bed and I'm spitting facts  
Making money, yeah, I never lack cash  
Got a Glock, pull up in that scat  
Nigga talking shit, why you mad?  
Why you mad? Why you...  
These bitches on my dick, that's why I said  
That's why I said...

[Outro]

It's money over everything  
But my...  
It's money over everything  
(By yourself?)  
It's money over everything...

(What's on your nasty old mind?)  
(By yourself? Sit alone)  
(I hope we're still friends, yeah, I hope you don't mind)  
(By yourself? Sit alone)  
(I hope we're still friends, yeah, I hope you don't mind)  
(By yourself...)
