Shy One

B*Witched

What's a girl supposed to do
With a fool like you?
Don't go trying the key in the door
'Cause it won't turn for you

Get up on the ceiling
You don't know what I'm feeling
Act your age and not your shoe size
Get your wheels in motion
And dump that crazy notion
Get your toys
Get out of my way

[Chorus]
Baby, it's a lie now
And you will find out
I'm the shy one
Whoa, yeah, (what you gonna do?)
What's the situation?
It's just temptation
You're with the shy one

Let me reveal one secret to you
This lion's in her cage
Treat her well and treat her good
Or she'll devour you

Get up on the ceiling
You don't know what I'm feeling
Act your age and not your shoe size
Get your wheels in motion
And dump that crazy notion
Get your toys
Get out of my way

[Chorus]

(What's going on?)
(Come On)

Middle eight
Tell me
What you want me maybe to say
I can't make sense of what's strolling by
It's oh so clear (yeah)

[Chorus]

(What you gonna do?)
(Yeah)
Maybe I ain't so shy
You're with the shy one
Shy
