Parchment Farm

Blue Cheer

(Mose Allison)
I been sitting over here on Parchment Farm
I been sitting over here on Parchment Farm
I been sitting over here on Parchment Farm
Ain't ever done nobody no wrong.Oh Lord, I bet I'll be here for the rest of my life.
Oh Lord, I bet I'll be here for the rest of my life.
Oh Lord, I bet I'll be here for the rest of my life.
All I did was shoot my wife.
She was no good!I done picking that cotton in a leather foot sack.
I done picking that cotton in a leather foot sack, yes I have.
I done picking that cotton in a leather foot sack.
A goddamn shotgun at my back.I been sitting over here on Parchment Farm
Ain't ever done nobody no wrong, no!I done sitting over here on the longest time.
I been sitting over here on the longest time.
I done sitting over here on the longest time.
All I did was drink my wine.I swear I'll be here for the rest of my life.
Yeah, I know I'll be here for the rest of my life.
I know I'll be here for the rest of my life.
All I did was shoot your wife.
She was no good, you can take my word for it!I been sitting over here on Parchment Farm
I been sitting over here on Parchment Farm
I been sitting over here on Parchment Farm
All I did was shoot my arm.
Oh, no!
