

World In Front Of Me

Kina Grannis

Hear your breath beside me
In my bed
All the sheets are tangled
In my legs and as I stretch
The sun falls on me
Gentle way to say it's time to wake up
It's time to wake up To the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me Start your day with coffee
Mine tea
Humming with my guitar
As you read I write a song
The words are finally assembling
Into this picture of things
With all that they bring Into the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me Da da da da da dum
Da da da da da dum
Da da da da da dum
Oh oh It's the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me It's the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me It's the world in front of me
