New Divide (The Mastertrons Remix)

Linkin Park

I remembered black skies
The lightning all around me
I remembered each flash
As time began to blur
Like a startling sign
That fate had finally found meAnd your voice was all I heard
That I get what I deserveSo give me reason
To prove me wrong
To wash this memory clean
Let the floods cross
The distance in your eyesGive me reason
To fill this hole
Connect the space between
Let it be enough to reach the truth that lies
Across this new divideThere was nothing in sight
But memories left abandoned
There was nowhere to hide
The ashes fell like snow
And the ground caved in
Between where we were standingAnd your voice was all I heard
That I get what I deserveSo give me reason
To prove me wrong
To wash this memory clean
Let the floods cross the distance in your eyes
Across this new divideIn every loss
In every lie
In every truth that you'd deny
And each regret
And each goodbye
Was a mistake to great to hideAnd your voice was all I heard
That I get what I deserveSo give me reason
To prove me wrong
To wash this memory clean
Let the floods cross the distance in your eyesGive me reason
To fill this hole
Connect the space between
Let it be enough to reach the truth that lies
Across this new divideAcross this new divide

Across this new divide
