Kiss

SEREBRO

I still remember that sunny day light
I cherish the moment that painted my heart
And all you are saying with your angel lies
And you don't believe in what I feel for you
But it's just because you had sad love or few
But I am in love with youAnd this is true
Tonight I'll kiss you
Na Na Na Na Na Na Na!
Tonight I'll miss you
Na Na Na Na Na Na Na!
Tonight I'll kiss you
Na Na Na Na Na Na Na!
Tonight I'll miss you
Na Na Na Na Na Na Na!Tonight I'll kiss you...
I open my eyes and I saw deja-vu
Like "Oh my god!", I was dancing with you
And other the things that I wanted to do
It don't mean a thing now if you are so far
I'm gonna make our hearts beat fast
And I'm on the way and I know where you are
Tonight I'll kiss you
Na Na Na Na Na Na Na!
Tonight I'll miss you
Na Na Na Na Na Na Na!
Tonight I'll kiss you
Na Na Na Na Na Na Na!
Tonight I'll miss you
Na Na Na Na Na Na Na!
Tonight I'll kiss you...
I still remember that sunny day light
I cherish the moment that painted my heart
Tonight I'll kiss you...
Tonight I'll miss you...
Tonight I'll kiss you...
