Elevated

Citizen Way

Hey!
Everyday it's amazing the way that You're taking me higher and higher
Got me up in the clouds and I ain't coming down 'cuz my hearts on fire
I wanna live I wanna love I wanna go where You take me
I wanna run I wanna jump I wanna fly
Elevated not by power not by might but by the Spirit
Elevated not by power not by might but by the Spirit
Elevated by the King
Elevated by the King
Not by power not by might but by the Spirit of the Lord
There's not a weapon formed against me Lord that You can't conquer
'Cuz my wings are spread and my eyes are set so my feet don't falter
I wanna live I wanna love I wanna go where You take me
I wanna run I wanna jump I wanna fly
Elevated not by power not by might but by the Spirit
Elevated not by power not by might but by the Spirit
Elevated by the King
Elevated by the King
Not by power not by might but by the Spirit of the Lord
Touch the sky so elevated
Not by sight not by religion
Saved by Grace by the Blood of Jesus
I'm alive
I wanna run I wanna jump I wanna fly
Elevated not by power not by might but by the Spirit
Elevated not by power not by might but by the Spirit
Elevated by the King
Elevated by the King
Not by power not by might but by the Spirit of the Lord
I wanna live I wanna love I wanna go where you take me
I wanna run I wanna jump I wanna fly
I wanna live I wanna love I wanna go where you take me
Not by power not by might but by the Spirit of the Lord
