

# Easy Livin

[Reema Major](#)

This is a place I've never knew before  
It's called easy livin'  
This is a thing I've never seen before  
And I've been forgiven Easy livin' and I've been forgiven  
Since you've taken your place in my heart Somewhere along the lonely road  
Had tried to find you  
Day after day on that winding road  
Had walked behind you Easy livin' and I've been forgiven  
Since you've taken your place in my heart Waiting, watching wishing my whole life away, yeah  
Dreaming, thinking ready for my happy day  
And some easy livin' Somewhere along the lonely road  
Had tried to find you  
Day after day on the windy road  
Had walked behind you Easy livin' and I've been forgiven  
Since you've taken your place in my heart Easy livin' and I've been forgiven  
Since you've taken your place in my heart, yeah
