## Soundtrack and Theme Master

I've been a wild wild rover  
Sailed all over the sea  
But this thing that makes me wonder  
Has made a fool of me  
For it took me from my childhood  
Underneath the stars and skies  
And I still hear the wind  
Whistling through the wild wood, whispering goodbye  
It's home boys home  
She's home boys home  
No matter  
Where I roam  
If you see my mother  
Please give her all of my love  
For she has a heart of gold there  
As good as god above  
If you see my mother  
Tell her I'm keeping fine  
Tell her that I love her  
And I'll try and write sometime
