Bloodbath

Andrea Gibson

Eyes cry
How nice
Screams of pain
Am I insane?...BloodbathTo hunt the prey
Makes my day
Break the bones
Blood flowsTorn apart
Sliced heart
Stench from Hell
I can tell...BloodbathCries - I hear nothing but - cries
Blood - I see nothing but - blood...BloodbathNight fall
Victim crawl
Once again
I demand...BloodbathPain - I give nothing but - pain
Joy - I feel nothing but - joy...Bloodbath
