

Brighter

RÃœFÃœS DU SOL

You said you don't love me like that
I'm stuck here standing in the rain
You said I don't need you like that
But I do, but I do
I'm telling that song to come back
Your figure fading in the grave
Blue skies don't tease me like that
Like you do, like you do
I'm feeling like the worlds about to change
When humming birds are singing in the rain
Dreaming that I'm standing in the light
Do you love me?

Can you feel the sunshine?
(You make it brighter)
Make it brighter for me, make it brighter for me
One last sun comes shining on me

Feels like the storms holding back
Soon I'll be swimming in a dream
I walk but I fall off the track
To the blue, to the blue
But I don't want to look the other way
And I don't want to wake up in a painting
Dreaming about rainy summer days
Do you love me?
