

Nothing's Over

Young the Giant

It's all in frame
Familiar faces on my wall
This town is strange
Seasons never change
Time is up
The world doesn't stop for anyone
Until the sun dissolves We all disappear
There's nothing to fear, now my love
How does it feel? It's over, nothing's over
I'll grow up when I'm older
God only knows what I would do
To you
It's over, nothing's over
I'll grow up when I'm older
God only knows what I would do to you It's over, nothing's over
I'll grow up when I'm older
God only knows what I would do
To you
It's over, nothing's over
I'll grow up when I'm older
God only knows what I would do to you
