Rip The Heart Out Of Me

Adema

I woke up this morning and knew
That the world would test me, come un-glued
Is it me or do you feel my pain?
This world makes my blood boil againYou rip the heart out of me
Rip the heart out of me
You make it look easy
You rip the heart out of me
Rip the heart out of me
Control and deceive me
You rip the heart out of me
Rip the heart out of meI've tried everything to please you
Gone out of my way like a fool
What makes me break down like a bitch?
It's so hard to crawl out of this ditchYou rip the heart out of me
Rip the heart out of me
You make it look easy
You rip the heart out of me
Rip the heart out of me
Control and deceive me
You rip the heart out of me
Rip the heart out of me
