My Hands

Leona Lewis

If you can take away all my love, what do I need it for?
You can take away all these words, there's no meaning anymore.
You can take away everything leave me lying on the floor,
All those sorry's, we can't go back to the start.
You can't fix me, I'm torn apart.I wanna run away from love, this time I have had enough.
Every time I feel your touch, I'm broken.
Shattered all the pieces of parts.
Never thought I'd fall so hard.
I'm putting back together my heart, it's broken.You can take these photographs and watch them fade away.
You can through away all these letters, I don't care about what they say.
All those sorry's, there's a million reasons
why you can't mend me, don't even try.I wanna run away from love, this time I have had enough.
Every time I feel your touch, I'm broken.
Shattered all the pieces of parts.
Never thought I'd fall so hard.
I'm putting back together my heart, I'm broken.I know it's gonna take some time, to finally realize.
I got nothing left inside, nothing to hide
I'm broken, I'm broken, my heart
I'm broken, I'm broken
Save meI wanna run away from love, this time I have had enough.
Every time I feel your touch, I'm broken.
Shattered all the pieces of parts.
Never thought I'd fall so hard.
I'm putting back together my heart, I'm broken.
Save me, save meI'm broken
