Free Will

Tait

To the Maker of this house the holder of the key
I gave You my heart but held some back for me
Someday I would give You everything I am
But I stole my road to freedom I took the key and ranDisconnected with my hands over my ears
You said You would meet me if I'd reach outI got a free will, I'm gonna use it
I got a free will yes, I do
I got a free will, I'm gonna use it
I got a free will yes, I do, yes, I doThank You for this gift it's still a mystery
My freedom in Your hands is how it's meant to be
It's only when I give You everything I am
Bittersweet surrender take meI got a free will, I'm gonna use it
I got a free will yes, I do
I got a free will, I'm choose it
I got a free will yes, I doSomething ain't right, you gotta let it go
Something ain't right, you gotta let it go
I'm gonna make it right, I'm letting goIt's up to me, I got a free will
I got a free will, I'm gonna use it
I got a free will, yes, I doI got a free will and I've got to lose it
So I give my free will back to You yes, I do, yes, I doThe Son has set me free
And I am free indeed
