Call Out

Keef Courage

Pull the curtain, I
Turn the lights, I
Turn the covers, I
Go through the motion, I
Call out
Call out
Another ceiling, I
Imagine places, I
I'd rather be, I
I slip away as I
Call out
Call out
(Call out)
Go through the motion, I
(Call out)
(Call out)
Go through the motion, I
(Call out)
Calling out
Calling out
When I hurt, I
Go to the place, I
Close the curtain, I
Watch the ceiling as I
Call out
Call out
It's only moments that
Stand between as I
Hear the clock, I
Feel the motion as I
Call out
Call out
Call out
Call out
Calling out
Calling out
Calling out
(Calling, calling, calling out)
Calling out

(Calling, calling, calling)
Calling out
(Hey, hey, calling out)
(Hey, hey, calling out)
Calling out
(Hey, hey, calling out)
(Hey, hey, calling out)
Calling out
(Hey, hey, calling out)
(Hey, hey, calling out)
Calling out
(Hey, hey, calling out)
(Hey, hey, calling)
Call out
Call out
