Once You Go Black

Esham

(INTRO)
Awww, yeah, I'm in the house for the
nineteen ninety's, and I gotta let ya'll know
a little somethin bout that black and white
thang you know...dick
Once you get a peice of this black dick
You wont never go back to that wack dick
Attracted, like a magnet you'll be stuck forever
We can get busy or whatever's clever
I heard once you go white you dont go black
'cause the dick's so good it's just like that
Baby get busy with a freakazoid
Big black dick stay stiff like an android
Bitches paranoid runnin from the dick
But without this dick, baby you aint shit
Your just a little girl, tryin ta be a woman
And before this dick you never knew about cummin
Ya momma and daddy try to keep ya out the ghetto
Get a holda' to a black dick and wont wanna let go
But I can understand, it's a racist world
But go run and tell your daddy that I'm fuckin his little girl
It shouldnt be like that, the world's black and white
But a nigga like me will fuck a pussy on sight
I'm not racist as long as the pussy's wet
The color dont matter we can swing it no sweat
The blacker the berry, the sweeter the juice
The whiter the tighter, but they all get loose
But I'm not sayin this just to say that
'cause once you go black, you never go back.
(CHORUS)
I know it's a black thang
You know it's a black thang
I know it's a black thang
You know it's a black thang
I know you be dreamin bout a black man
Co swingin in your pussy like Tarzan
Thang long, hang long
And dont worry bout my back 'cause it's bone stong
Dont hate me, 'cause my skin color

'cause I'ma open this dick up to ya like it's an umbrella
I dont pay for pussy or beg
Too many bitches like you co thinkin bout my third leg
And all I hear em say is black dick, black dick
They all strung on my dick like crack and shit
But not just my dick 'cause other brothaz too
Be fuckin these ho's like I do
Aint no thang, we'll get a gangbang
Watch my dick swang and my nuts hang
'cause I aint fakin the funk for no freak
If you aint freakin then bitch dont speak
'cause my dick will hypnotise the ho's
Watch the woody wood pecker as it grows
But I aint sayin this just to say that
'cause once you go black, you never go back
(CHORUS)
I know it's a black thang
You know it's a black thang

I know it's a black thang
You know it's a black thang
Bitches get scared 'cause they daddy told em
If they ever get caught with a nigga he'll disown em
But what your daddy dont know wont hurt that
Come on down to the ghetto and let's work that
Your daddy's so possessive too
So damn possessive I think he be fuckin you
But aint no thang 'cause I'ma go get her
If your daughter wanna cock open them legs I'ma get with her
And I'ma place this black dick in her
Better call the reverand 'cause your daughter is a sinner
And try to get her saved, 'cause I'ma misbehave
And cant nobody give her what I gave
A zulu black bran nubian dick
This the type a dick all the ho's wanna get with
And your momma like to front to
But I know she wanna black dick in her cunt too
Just because niggas used to be slaves
Motherfuckaz still act like we livin in them slave days
But my dick like all kinda pussy
The color dont matter as long as it's wet bush
But I'm not sayin this just to say that
'cause once you go black, you never go back
(CHORUS)
I know it's a black thang

You know it's a black thang
I know it's a black thang
You know it's a black thang
When will you people realize
That the black mans famous for his motherfuckin dick size
And my dick dont discriminate
Because pussy aint got no, pussy aint got no face
But in some cases it do
But every single stereo type aint true
Niggaz eat chicken and honkey's booty's is flat
But just because your booty's flat
Niggaz still get with that
Black girl juicy, white girl loosey
I'm not B.B.D. but you could do me
Your daddy dont know his little girl is a ho
Co comin to get the black dick in the ghetto yo
But black bitches go out there to get the white dick
Some get mad and some dont like it
The white boyz like her even though she an oreo
You'll still fuck her even though she a nigero
So dont get mad 'cause I cant change that
Once you go black you never go back
(CHORUS)
I know it's a black thang
You know it's a black thang
I know it's a black thang
You know it's a black thang
