My Reality (fsFreak Remix)

Overworld

Living by the night
Wandering in darkness
Crossing the boundaries of make believe
Won't you come inside all my dreams?
For I have my own reality
Things you have never seenEvery night I end up in a dreamland
(Why can't it all be real to you?)
And every night it's all too real
(Is it all inside my head?)What if it all turned out to be a dream?
For once in a while, yeah
I can't, I can't
escape from this feelingYour fantasy is my reality
Just once in my life, yeah
I won't, I won't
wake up from dreaming onLeaping back through time
Back to when it started
My world has turned into another story
Hey you, are you scared of the dark?
Or the madness inside your heart?
Can you imagine it?Once upon a time we had each other
(Who said it's all supposed to end?)
Tonight it's real enough for me
(Make believe)What if it all turned out to be a dream?
For once in a while, yeah
I can't, I can't
escape from this feelingYour fantasy is my reality
Just once in my life, yeah
I won't, I won't
wake up from dreaming onWhat if it all turned out to be a dream?
For once in a while, yeah
I can't, I can't
escape from this feelingYour fantasy is my reality
Just once in my life, yeah
I won't, I won't
wake up from dreaming on
