

Focus

Ariana Grande

[Ariana]

I know what I came to do
And that ain't gonna change
So go ahead and talk your talk
Cuz I won't take the bait
I'm over here doing what I like
I'm over here working day and night
If my real ain't real enough
I'm sorry for you bae Let's find a light inside our universe now
Where ain't nobody keep on holding us down
Just come and get it let them say what they say
Cuz I'm about to put them all away Focus on me
Fo-fo-focus on me
Ooh
Focus on me
Fo-fo-focus on me
Focus on me (Focus)
Fo-fo-focus on me (Focus on me)
Ooh
Focus on me (Focus)
Fo-fo-focus on me (Focus on me)
Ooh I can tell you're curious
It's written on your lips
Ain't no need to hold it back
Go head and talk your sh*t
I know you're hoping that I'll react
I know you're hoping I'm looking back
But if my real ain't real enough
Then I don't know what is Let's find a light inside our universe now
Where ain't nobody keep on holding us down
Just come and get it let them say what they say
Cuz I'm about to put them all away Focus on me (Hey)
