Life Is a Highway

Counterpoint

Life's like a road that you travel on
There's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the windThere's a world outside every darkened door
Where blues won't haunt you anymore where the brave are free and lovers soar
Come ride with me to the distant shoreWe won't hesitate
To break down the garden gate
There's not much time left today, yeahLife is a highway, I wanna ride it
All night long
If you're going my way, I wanna drive it
All night longThrough all these cities and all these towns
It's in my blood and all around
I love you now like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down and back up again
You're in my blood, I'm not a lonely manThere's no load I can't hold
The road's so rough this I know
I'll be there when the light comes int tell 'em we're survivorsLife is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it
All night longGimme, Gimme, Gimme, Gimme, yeahLife is a highway, I wanna ride it
All night long (mmmm yeah)
If your going my way, I wanna drive it
All night longThere was a distance between you and I
(between you and I)
A misunderstanding once
But now, we look it in the eyeOoooo...Yeah.There ain't no load I can't hold
The road's so rough this I know
I'll be there when the light comes in t tell 'em we're survivorsLife is a highway, I wanna ride it
All night long (all night long, yeah hey)
If your going my way, I wanna drive it
All night longGimme, Gimme, Gimme, Gimme some moreLife is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it
All night longGimme, Gimme, Gimme, Gimme some moreLife is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it

All night longGimme, Gimme, Gimme, Gimme some more, yeah
