Watch What Happens

Nancy Wilson

Cold, no, I won't believe your heart is cold
Maybe slow to warm on a long lonely nightLet someone start believing in you, let her hold out her hand
Let her touch you and watch what happensOne someone who can look in your eyes, and see into your heart
Let her find you and watch what happensCold, no, I won't believe your heart is cold
Maybe just afraid to be broken againLet someone with a deep love to give
Give that deep love to you, and what magic you'll see
Let someone give her heart, someone who cares like me
