

# Watch What Happens

[Nancy Wilson](#)

Cold, no, I won't believe your heart is cold  
Maybe slow to warm on a long lonely night  
Let someone start believing in you, let her hold out her hand  
Let her touch you and watch what happens  
One someone who can look in your eyes, and see into your heart  
Let her find you and watch what happens  
Cold, no, I won't believe your heart is cold  
Maybe just afraid to be broken again  
Let someone with a deep love to give  
Give that deep love to you, and what magic you'll see  
Let someone give her heart, someone who cares like me
