Sleeping With Sirens

Ooh ooh ooh ooh...
Ooh ooh ooh ooh...
Ooh ooh ooh ooh...
Ooh ooh ooh ooh...
Hey, I know it hurts to watch me leave
But say it ain't so, how could you ever replace me?
You're so shy when you wanna be standing in front of me
Mind spinning in circles, you're waiting to speak
These hands here in front of me, anxiously waiting to see
How's it gonna be
Before I go, oh oh oh oh oh
Let me remind you what you're waiting for
Before you go, oh oh oh oh oh
Could you love me just a little bit more?
One more time
Ooh ooh ooh ooh...
Ooh ooh ooh ooh...
Hey, hey darling, its so damn hard to say goodbye
You know I'll try my hardest, I'll never change who I am inside
Life's so hard and it's gotta be standing in front of me
Your clothes on the floor, and your eyes are on me
Yeah, tonight's all we got, keep your arms right here were it should be
Keep 'em wrapped around me
Oh oh oh oh oh

Let me remind you what you're waiting for
Before you go, oh oh oh oh oh
Could you love me just a little bit more?
So baby, don't go, go, go
I don't think I'm finished with you yet
Baby, don't go, go, go
I'll never be finished with you, no no no
Don't go now, baby
Don't let me fall asleep alone
She said, "Oh no no, baby
I can't do this on my own"
Before I go, oh oh oh oh oh
Let me remind you what you're waiting for
Before you go, oh oh oh oh oh

Could you love me just a little bit more?
One more time
I'll never you alone
I wanna make it clear
And if you wait for me
I'll always keep you here
Oh oh oh oh oh
Let me remind you what you're waiting for
Before you go, oh oh oh oh oh
Could you love me just a little, love me just a little bit more?
Love me just a little, love me just a little bit more?
