Gorgeous (Tracy Young Remix)

Idina Menzel

In a perfect world, in another time
In a far off place we wouldn't need to justify
Everything we are
And all that we believe
We could finally be
Whoever we both want to be
And when we can't be heard,
And when we can't be seen
I will call you close and
You will reach for meWhen all of the beauty turns to pain
When all of the madness falls like rain
As long as we crash and we collide
We will be gorgeous, you and IThrough the window pane,
Through the bedroom door
This city wants to fight
But it can't touch us anymore
We have come so far,
We have shed our skin
The more that's taken from us now,
The more we have to give
And when we can't be heard,
And when we can't be seen
I will call you close and
You will reach for meWhen all of the beauty turns to pain
When all of the madness falls like rain
As long as we crash and we collide
We will be gorgeous, you and IAnd when we are drowning in the noise
I'm gonna stop to hear your voice
As long as we crash and we collide
We will be gorgeous, you and I(We'll be gorgeous)
(We'll be gorgeous)
In the perfect time
(We'll be gorgeous)And when we lose our faith
In all that's beautiful
You lift me to this placeWhen all of the beauty turns to pain
When all of the madness falls like rain
As long as we crash and we collide
We will be gorgeous, you and IAnd when we are drowning in the noise
I'm gonna stop to find your voice

As long as we crash and we collide
We will be gorgeous, we will be gorgeous
(you and I)And when I lose my faith
I don't know what to do
You lift me to this place
And make me feel so beautiful
As long as you're right here by my side
We will be gorgeous, you and I
