About Me

Keri Noble

After I promise to love you forever
What happens to us if I fail?
I fear that my heart is a wavering thing and
I'm scared that your heart is frailDo I give up and just let go
Or remain, I don't know
What does this say about me?I want to believe that a love is everlasting
Something happens still
But what if I can't sustain it forever but
Give you my word that I willDo I give up and just let go
Or remain, I don't know
What does this say about me?If I give you my vow that I'll love you forever
And then wish that I could be free
These are the things that I, I don't know
Is it just me? Is it just me?Do I give up and just let go
Or remain, I don't know
What does this say about me?Do I give up and just let go
Or remain, I don't know
What does this say about me?About me
About me
About meIf I promise to love you forever
