The White One Is Evil

Elliot Minor

Sit back I'll take you for a ride,
To any place where you decide,
Keep holding on and don't let go too quickly,
Knocked out I'm lying on the floor,
Oh she, she's coming back for more,
What can I do, where can I hide for safety?Stranded, I'm guessing that she planned this,
I've been here once before, you keep me running in circles,
Can't stand it, I'm running empty handed,
It's all a waste of time, I know you do it for pleasure...Were you sent to destroy me? Look I'm still breathing,
I warned you, the white one is evil, she will kill you.Down town, I'm going by the store, oh look,
She's coming back for more,
I need to run don't wanna catch her,
Too late she's seen me,
I'm trapped, caught and now I'm going under,
Strike her down, now come now come on thunder,
Play your game, come on I dare ya,
Keep on trying...Stranded, I'm guessing that she planned this,
I've been here once before, you keep me running in circles,
Can't stand it, I'm running empty handed,
It's all a waste of time, I know you do it for pleasure...Were you sent to destroy me? Look I'm still breathing,
I warned you, the white one is evil, she will kill you.
Were you sent to destroy me? Look I'm still breathing,
I warned you, the white one is evil, she will kill you.Standing, stallng, always fallng, story of my life,
Dying, chasing, who will face me, always giving up,
Standing, stalling, always falling, story of my life.Sit back I'll take you for a ride,
To any place where you decide,
Keep holding on and don't let go too quickly,
Knocked out I'm lying on the floor,
Oh she, she's coming back for more,
What can I do, where can I hide for safety?Stranded, I'm guessing that she planned this,
I've been here once before, you keep me running in circles,
Can't stand it, I'm running empty handed,
It's all a waste of time, I know you do it for pleasure...Standing, stalling, always falling, story of my life,
I warned you, the white one is evil, she will kill you.
Were you sent to destroy me? Look I'm still breathing,
I warned you, the white one is evil, she will kill you.
