

Rose In A Concrete World - J Dub Remix

Joe

Yeah, this one goes out to all the lost loved ones
That's right, no ohh, no, no, throw your hands in the air
No, oh, oh, oh, oh, oh We were like soldiers, shoulder to shoulder
Back to back against the wall
Always there to catch me if I would fall If I was in trouble, when you was in trouble
Never gave a damn if I was wrong or right
Never backed down if we had a fight Now you've gone away
Always thought that you'd be here to stay
See you on the other side, we will ride again We would ride like the wind on the stairways of sin
I can't believe all the wrong would turn
Now that you're gone, how can I go on?
You were a rose in a concrete world No no, no no
No no, no no, no no, no Ghetto to ghetto, it's the meadow to meadow
Tryin' to survive day to day
Livin' crazy was the only way You were my strength when I was weak
Young and gifted, you were unique
You were far too good for this world, oh Now you've gone away
Always thought that you'd be here to stay
See you on the other side, we will ride again We would ride like the wind on the stairways of sin
I can't believe all the wrong would turn
Now that you're gone, how can I go on?
You were a rose in a concrete world We would ride like the wind on the stairways of sin
I can't believe all the wrong would turn
Now that you're gone, how can I go on?
You were a rose in a concrete world Break it down, oh oh oh, oh oh oh
Oh oh oh, oh oh oh, oh no no
No no no, no no no no Now you've gone away
Always thought that you'd be here to stay
See you on the other side, we will ride again We would ride like the wind on the stairways of sin
I can't believe all the wrong would turn
Now that you're gone, how can I go on?
You were a rose in a concrete world Oh oh oh, oh oh oh
Oh oh oh, oh oh, oh oh
No no no, no no, no no, no no
Oh oh oh
No no no, no no no, no no
