Be Your Husband

Jeff Buckley

Be your husband if you'll be my wife
Be your husband if you'll be my wife
Be your husband if you'll be my wife
Loving all of you the rest of your life yeah

If you promise me that I'll be your man
If you promise me that I'll be your man
If you promise me that I'll be your man
I will love you the best I can yeah

Stick the promise that you made me
Stick the promise that you made me
Yeah yeah yeah yeah yeah
Stick the promise that you made me
That you stay away from Johnny lee yeah

Oh mama love me good
Oh mama now love me good
Oh mama love me good
Oh mama now love me good

If you want me to cook and sew
If you want me to cook and sew
If you want me to cook and sew yeah
Outside of you there is no place to go

Please don't treat me so doggone mean
Please don't treat me so doggone mean
Please don't treat me so now doggone mean yeah
You're the meanest woman I ever see

Oh mama now love me good
Oh mama love me good yeah
Oh mama love me good yeah
Oh mama now love me good
