

Give Me A Try

Sizzla

Ah, where do you go, don't you need my love baby?
Why can't you come on and let us play?
When are you going to come my way? Ah ah ah
What are the things they been telling you?
I've got to stop them from compelling you, girl
They just won't stop me from getting you, ah ah ah Give me a try, 'cause I, know that, things will be great
Me oh my, don't deny, true love never die, it only create
I'm gonna take you right there, love for a lifetime
I'm gonna make your life so clear, girl gonna make you mine
I'm gonna take you right there, love for a lifetime
I'm gonna make your life so clear, gonna make you mine Say no lies, don't you cry, no goodbye, just won't work
Stars in the sky, love so nice, look in your eyes, girl
So much you worth, I'm not stupid, I'm not a fool
Know what I'm doing, I've been to school
Keep a firm grip, on what you own
She's more valuable than a pot of gold
I'm gonna take you there, oh love, for a lifetime
I'm gonna make your life so clear, oh gonna make you mine girl
I'm gonna take you there, oh oh love for a lifetime
I'm gonna make your life so clear Give me a try, 'cause I, know that, things will be great
Me oh my, don't deny, true love never die, it only create
Give me a try, 'cause I, know that, things will be great
Me oh my, don't deny, true love never die, it only create
