

# Take Back

[Ryan Huston](#)

Take back everything I didn't do  
Feels like I'm falling for you  
Take back everything I didn't say  
I've tried to discover on my own  
So much that I didn't know  
I've had my share of mistakes And with you  
I cannot think  
know what and I don't know what to do  
and it's so strange that  
I think that I'm falling  
I think that I'm falling for you Do you believe in love like I do  
Do you believe it all could be true  
Do you believe in love like I do  
Believe in a life  
Believe in a life next to you I'm falling for you  
I'm falling for you Take back everything I used to know  
I'm finding out as I go  
Take back every time I've walked away Sometimes when I'm looking into your eyes  
I see myself my demise  
I feel your selfless embrace  
and with you, I find out that I'm soft inside  
and I don't know what to say With your gentle touch  
I think that I'm falling  
I think that I'm falling for you Do you believe in love like I do  
Do you believe it all could be true  
Do you believe in love like I do  
Believe in a life  
A life next to you I'm falling for you  
I'm falling for you
