

# Paper Doll

Bea Miller

Does it make you feel good to make me feel small?  
When you're pushing me down, does it make you feel tall?  
Pointing out my flaws 'cause you wanna erase them all  
Does it make you feel good to make me feel small? Betcha didn't think I knew what I was made of  
Thought I would lay down  
I wouldn't stand up  
Well listen up 'cause you got it all wrong  
This is your song, this is your song I'm not a paper doll  
Can't make me what you want  
You just build me up and tear me down  
Enough's enough  
Go, leave me alone  
Cut me down but I won't fall  
I'm not a paper doll Did somebody make you feel invisible?  
Is it true hurt people hurt people?  
The way you hate and break  
It don't make no sense at all  
But you're not gonna make me feel invisible Betcha didn't think I knew what I was made of  
Thought I would lay down  
I wouldn't stand up  
Well listen up 'cause you got it all wrong  
This is your song, this is your song I'm not a paper doll  
Can't make me what you want  
You just build me up and tear me down  
Enough's enough  
Go, leave me alone  
Cut me down but I won't fall  
I'm not a paper doll  
I'm not a paper doll  
Can't make me what you want  
You just build me up and tear me down  
Enough's enough  
Go, leave me alone  
Cut me down but I won't fall Oh, you'd love if you crumble me up  
In the palm of your hands  
Well, I bet that sucks  
'Cause now you know you can't Does it make you feel good to make me feel small?  
When you're pushing me down, does it make you feel tall? I'm not a paper doll  
Can't make me what you want

You just build me up and tear me down

Enough's enough

Go, leave me alone

Cut me down but I won't fall

I'm not a paper doll

I'm not a paper doll

Can't make me what you want

You just build me up and tear me down

Enough's enough

Go, leave me alone

Cut me down but I won't fall

I'm not a paper doll
