Jump In The River

Sinead O'connor

The phone calls
Always left me unsure
They'd never say things
Of their own accord
I am preoccupied
I can't get them out of my mind
They are terrified
And if you said jump in the river I would because
It would probably be a good idea
You're not supposed to be here at all now
It's all been a gorgeous mistake
Sick one or clean one or best one God ever made
When I kissed you
You didn't mind
I thought I tasted of too many cigarettes
But you tasted like wine
And I'm not going to change my mind
Just because of what they said
The worm has laid eggs in their hearts
But not in my head
If you said jump in the river I would because
It would probably be a good idea
You're not supposed to be here at all now
It's all been a gorgeous mistake
Sick one or clean one or the best one God ever made
There's been days like this before, you know
And I liked it all
Like the times we did it so hard
There was blood on the wall
And if you said jump in the river I would
Because it would probably be a good idea
And if you said jump in the river I would
Because it would probably be a good idea
