

The Only Mama That'll Walk The Line

[Leann Rimes](#)

And I'm gettin' pretty tired of it
You keep a steppin' out of line and a messing with my mind
If you had any sense you'd quit
Cause ever since I was a little teeny weeny girl
I said you were the only man in my whole world
Now you'd better do some thinkin' then you'll find
You got the only mama that'll walk the line
I keep a-workin' every day all you wanna do is play
I'm gettin' tired of staying home all night
Well I'm a-coming unglued from your funny little moods
Now honey baby that ain't right

I said you were the only man in my whole world
And now you'd better do some thinkin' then you'll find
You got the only mama that'll walk the line
You keep a-packin' on my clothes
Nearly everybody knows that you're still just a-puttin' me on
And when I start a-walkin' gonna hear you start a-squawkin'
And a-beggin' me to come back home
Cause ever since I was a little teeny weeny girl
I said you were the only man in my whole world
Now you'd better do some thinkin' then you'll find
You got the only mama that'll walk the line
You got the only mama that'll walk the line
