

# Daughter Of Darkness

Tom Jones

Woman, I can remember a woman  
Warm were her kisses and tender was she  
Lying there in my arms, why, why did you deceive me so  
What devil inside made you go, when I needed you most of all  
Daughter of darkness, stay out of my life, my life  
You took my heart, you broke it apart  
You daughter of darkness  
Daughter of darkness, please leave me alone forever  
Daughter of darkness, gone is the love  
That we shared together  
Heaven, we had our own kind of Heaven  
Sharing together the magic of love in a world of our own  
Then oh, so suddenly you were gone  
The love I depended upon disappeared when you went away  
Daughter of darkness, stay out of my life, my life

You took my heart, you broke it apart  
You daughter of darkness  
Daughter of darkness, leave me alone forever  
Daughter of darkness, gone is the love  
That we shared together  
Daughter of darkness, stay out of my life, my life  
You took my heart and then you broke it apart  
You daughter of darkness  
Daughter of darkness, stay out of my life, my life  
You took my heart and then you broke it apart  
You devil daughter of darkness  
Daughter of darkness, leave me alone forever  
You devil daughter of darkness, gone is the love  
That we shared together
