Beautiful
Perfect
Flawless
DebonaireWhere'd you get that silky skin?
And the colors those eyes come in
Does the light come from within?
God made you, did he make the grin?Wings are under all your clothes
You worth more than your weight in gold
Where did God put down your mole
Or were you only made for show?Girl, you're perfect
When God made you I wonder if he kept the mould
Or are you just for show?Girl, you're perfect
When I see you it takes my mind to cloud nine
Girl, you're so fine, yeah, heyLovable, and yeah, you're pursuable
Everything is beautiful, even down to your cuticles
It ain't about me, it's all about you
You make me do what you want me toYeah, it's just like that
Here go my number, baby girl, why don't you get right back?
You're a perfect dime, I'm workin' mine
Just the thought of me and you I mean it's blowin' my mindCan't explain it doe, but if I'm wit you
I can't remain a ho or stay in the flow
It's a shame to know, I maintain the flow
Baby girl, me and you is unexplainableMm, yeah, we need to get into actin'
Can't you see this is a natural attraction?
A lot of maxin' and relaxin'
Come on, baby girl, give a player some action, I'm askin'Where'd you get that silky skin?
And the colors those eyes come in
Does the light come from within?
God made you, did he make the grin?Wings are under all your clothes
Worth more than your weight in gold
Where did God put down your mole
Or were you only made for show?Girl, you're perfect

God made you, I wonder if he kept the mold
 Or are you just for show? Girl, you're perfect
 When I see you it takes my mind to cloud nine
 Girl, you're so fine, yeah, hey If you would, if I could
 You make the bad boy in me go good
 Tell a lie? No, I tell the truth
 Baby boo, on the real, you know you hundred proof Mm, I can't even believe that
 You livin' the single life, damn, I need that
 I hate to see a queen without a king
 If I had you I'd get you everything Coast to coast, L.A. to Chicago
 See my baby go wherever I go
 Costa Rica, Obregato
 If I get you I hit the Lotto Loco shoppin', get what you want to
 Sky's the limit, so go on and spend it
 I said it 'cause I meant it
 So go and give me your love and get in it to win it
 Hit it Where'd you get that silky skin?
 And the colors those eyes come in
 Does the light come from within?
 God made you, did he make the grin? Wings are under all your clothes
 Worth more than your weight in gold
 Where did God put down your mole
 Or were you only made for show? Girl, you're perfect
 God made you, I wonder if he kept the mold
 Or are you just for show? Girl, you're perfect
 When I see you it takes my mind to cloud nine
 Girl, you're so fine, yeah, hey Mm, I know you dig my rappin'
 I see you smilin' so I might get some action
 Yeah, so let's get it crackin'
 It won't be no rerun, "Hey hey hey, what's happenin'?" It won't be no type of scrappin'
 Me and you, this is everlastin'
 I hate to sound sarcastic
 But we'll make a classic, it'll be fantastic We need to get into actin'
 Can't you see this is a natural attraction?
 A lot of maxin' and relaxin'
 Come on, baby girl, give a player some action, I'm askin' Where'd you get that silky skin?
 And the colors those eyes come in
 Does the light come from within?
 God made you, did he make the grin? Wings are under all your clothes
 Worth more than your weight in gold
 Where did God put down your mole
 Or were you only made for show? Girl, you're perfect
 God made you, I wonder if he kept the mold
 Or are you just for show? Girl, you're perfect
 When I see you it takes my mind to cloud nine

Girl, you're so fine, yeah, heyMm, the perfect girl livin' in the perfect world
Like I said, "I hate to see a queen without a king"
I'm available, let's make it happen
Yeah, the dime or the dub, how you love that?
Yeah, 'Beautiful part 2', thought you knewPerfect
