Tears

Marsha Ambrosius

Hey, baby
I thought I'd never see you again
Can't believe you're here
Please, please listen to what I have to say
First of all, let me say that I missed you, baby
For real
I'm worse off than I been, I feel so much pain
Cried so many tears
Leaving you was the biggest mistake I coulda made
And I did, oh, yes, I did what I could without you, baby
But it just ain't the same without you here
Oh, the tears
(Tears)
Falling on down right now
(All these tears)
Please could you help me out, baby?
(My dear)
See, I'm a grown woman and I ain't too proud
So I'm begging you
Stay with me
I want you back
Don't you leave me here
Here
(Tears)
Here
(All these tears)
Oh baby, don't you
My dear
Begging you
Stay with me
I want you back
Don't you leave me here
I'm begging you
Stay with me
I want you back
Don't you leave me here, here, here, oh, here
I'm begging you
Stay with me
I want you back

Don't you leave me here, here, here, here
I'm begging you
Stay with me
I want you back
Don't you leave me here, here, here, here
Oh, the tears
(All these tears)
All these tears, yeah
