Pretty Little Witch Girl

Edward

She's a pretty little witch girl
She's nature's waif
She's not afraid to put a smile on you face
She used to be a Jesus freak
Until she got on a losing streak
She had to hit the ground before she found her wings
Now in the sky she flies so highCH (Back up always sing chorus)
She has the stars in her eyes
And a heart full of green
She put her spell on me
Now she is all I dreamI need my pretty little witch girl
She's all I dream
When she comes to me
When I'm asleep
She ummmmmShe used to be a Jesus Freak
Until she got on a losing streak
She had to hit the ground before she found her wings
Now in the sky she flies so highCHHave you seen my little witch girl
She's natures waif
She's not afraid to put her sex right in your face
She used to be a Jesus freak
Until she got on a losing streak
She had to hit the ground before she found her wings
Now in the sky she flies so high
