

A House That Has Everything

[Elvis Presley](#)

I can see you now, living like a queen
In a house that has everything, everything but love
Crystal, chandeliers, chauffeured, limousines
Yes, you'll really have everything, everything but love
I see diamonds and sapphires
Sapphires and pearls, and as the picture clears
Poor little rich girl sitting all alone
Counting her treasures in tears
Better just a shack, where two people care
Than a house that has everything, everything but love
I see diamonds, sapphires
Sapphires and pearls, and as the picture clears
Poor little rich girl sitting all alone
Counting her treasures in tears
Better just a shack, where two people care
Than a house that has everything, everything but love
Than a house that has everything, everything but love
