

Unstoppable (feat. Santo Gold)

Drake

[Verse 1: Drake]

My name is Drizzy
And I ain't perfect
But I work hard
So I deserve it
And I belong
Right where you see me
Ain't on the fence about it
I ain't Mr. Feeny
I got a decent set of manners
And a job that fills up any empty schedule or planner
And I fall in love with girls
Caught up in superficial glammer
Who dress like Sarah Jessica
And live like Princess Diana
So often they have addiction
And I'm the one that will feed it
But truly you're bad enough
That you don't even really need it
You could show up to the party
On dirty public transit
And I guarantee the camera man will still be snapping candid
Of you and your possie partying
Drinking what you get handed
With your virgin island tans
All looking like you just landed
I don't really understand it
I'm not sure I'm comprehending
But these girls are having fun with whose ever money they spending screaming

[Chorus (2x)]

I've got to be unstoppable [2x]

Ay ay ay ay you don't like [2x]

[Verse 2: Lil Wayne]

My name is Weezy
I'm almost perfect
And I work harder than hard working
Bizarre circus
That's what my bars surface
Therefore I act a clown

Even when I'm laying on my back I'm never backing down
So over stand me
I got a condo in Miami
And my doormat is always sandy
And I run Louisiana
But I've never pulled a hammy
And I got a condo in Atlanta
And I always wear a bandana
And when it come down to stuntin'
You boys are just frontin'
And I'm swingin' for the fence
Your girl hangin' from my dick
Your girl singing to my shit like
A lo lo lollipop
She say I get that pussy wetter than a Dasani shop
And she say I pick that pussy better than her gynecologist
Hold this
Text me whenever you want some more dick
More dick
Old bitch
Young bitch
But I be like damn
All I got is one dick
[Chorus (2x)]
I've got to be unstoppable [2x]
Ay ay ay ay you don't like [2x]
