

# After The Storm

## Mumford & Sons

And after the storm  
I run and run as the rains come  
And I look up, I look up  
On my knees and out of luck, I look up  
Night has always pushed up day  
You must know life to see decay  
But I won't rot, I won't rot  
Not this mind and not this heart, I won't rot  
And I took you by the hand  
And we stood tall  
And remembered our own land  
What we lived for  
And there will come a time, you'll see, with no more tears  
And love will not break your heart but dismiss your fears  
Get over your hill and see what you find there  
With grace in your heart and flowers in your hair

And now I cling to what I knew  
I saw exactly what was true  
But oh no more, that's why I hold  
That's why I hold with all I have, that's why I hold  
And I will die alone and be left there  
Well, I guess I'll just go home, oh God knows where  
Because death is just so full and man so small  
Well, I'm scared of what's behind and what's before  
And there will come a time, you'll see, with no more tears  
And love will not break your heart but dismiss your fears  
Get over your hill and see what you find there  
With grace in your heart and flowers in your hair  
And there will come a time, you'll see, with no more tears  
And love will not break your heart but dismiss your fears  
Get over your hill and see what you find there  
With grace in your heart and flowers in your hair
